Spotlight on **Supporters** – The Saunders

Dick and Peggy Saunders have been supporters of Sunbury Shores for many years. Photo: Wilma Blokhuys.

Dick and Peggy Saunders have been supporters of Sunbury Shores Arts and Nature Centre since the centre was incorporated in 1964. In fact, Dick and Peggy's children took part in the very first children's art programs offered at the centre. To this day, the Saunders' grow and donate plants to Sunbury Shores for the annual town wide yard sale. In addition, both have served as members of the board and the two have contributed to the centre financially every year for the past 44 years and their friendly faces can be seen at every art opening and event. Thank you Dick and Peggy for your support!

LOVE ARTS & NATURE? Please consider **becoming a volunteer** at Sunbury Shores. It is a great way to meet people and share your interests with others. Visit www.sunburyshores.org for details.
